presented here for the first time in english this richly detailed study based on british french greek and russian archival sources tells the story of the powerful greek trading houses that competed successfully with north america to feed the industrializing population of western europe vassilis kardasis presents this commercial history by charting the rise of greek merchant houses to a position of dominance over the export of trade in russian grain though the greeks would eventually cede their dominance to the competition of cheaper american grain in the second half of the nineteenth century their influence was felt in the transformation of southern russia to productive agricultural land and the formation of large black sea port cities which would eventually encourage massive immigration diaspora merchants in the black sea fills an important gap in our understanding of the role of the diasporic greek community in southern russian history the history of greek maritime activity and ultimately the history of economic relations between eastern and western europe

this thorough guide to ukraine covers kiev the provinces and everything travelers need to explore this fascinating eastern european country

tsarist russia's commercial class is today receiving serious attention from both russian and non russian historians this book is a contribution to that literature commerce in russian urban culture 1861 1914 examines the relation between the entrepreneurial

world especially business and banking and the cultural milieu of russia going beyond the commercial cultural connection of charitable activity the contributors to this collaborative project also study cultural activity undertaken by enterprises for their own purposes notably bank and commercial architecture culture and commerce encompasses two areas in this volume the first is the business milieu itself as a social and cultural phenomenon class and social stratification types of entrepreneurs and their mentality religious affiliations and charitable activities and donations are covered the second is their impact on the form of cities including not only moscow and st petersburg but odessa and nizhnii novgorod banks insurance companies and large commercial firms reshaped russian cities with the construction of buildings for their own operations and retail shops stock exchanges mansions and public buildings this book is based on a project of the kennan institute for advanced russian studies at the woodrow wilson international center for scholars
