when we think of the contemporary british history play why might we automatically think of playwrights such as david hare howard brenton peter gill and edward bond because for decades the writing of the history play has been the preserve of the white male this book provides a vital feminist intervention into the dramaturgy of history plays investigating work produced at major british theatres from 2000 to the present written by a generation of innovative women playwrights this much needed study explores the use of history specifically elizabethan restoration victorian and early 20th century in contemporary playwriting in order to interrogate the gender politics of this work within the framework of contemporary feminism including the pivotal metoo movement the book looks at post 2000s feminist

drama that somehow represents the past through delving into the recurring tropes and their politics in the light of current feminist debate the author helps us grasp how these plays essentially re imagine gender politics plays that are considered include emilia morgan lloyd malcolm swive elizabeth ella hickson an august bank holiday lark deborah mcandrew the empress tanika gupta red velvet lolita chakrabarti scuttlers rona munro i joan charlie josephine blue stockings and nell gwynn jessica swale and the musical six toby marlow and lucy moss

with its innovative narrative structure and its controversial explorations of race gender and empire joseph conrad s heart of darkness is a landmark of 20th century literature that continues to resonate to this day this book brings together leading scholars to explore the full range of contemporary philosophical and critical responses to the text conrad s heart of darkness and contemporary thought includes the first publication in english of philosopher philippe lacoue labarthe s essay the horror of the west described by j hillis miller as a major essay on conrad s novel one of the best ever written in the company of lacoue labarthe leading scholars explore new readings of conrad s text from a full range of theoretical perspectives including deconstructive psychoanalytic narratological and postcolonial approaches drawing on the very latest insights of contemporary thought this is an essential study of one of the most important literary texts of the 20th century

the anthology consists of essays authored by scholars of different nationalities from diverse cultures nations and primary languages they cover conrad s presence across multiple media fiction films comics and graphic novels the collection is unique because the contributors focused on conrad s presence in contemporary culture a constantly changing field rather than well trodden paths the exploration of polish french italian spanish english and american works of art strengthens its originality the artists discussed in connection with conrad include olga tokarczuk stanisław lem robert silveberg loic godart christian bobin christian perrissin tom tirabosco eduardo berti j m coetzee

michelangelo antonioni last but not least the volume contains 20 stunning reproductions in full colour from films graphic novels and comics

a hundred years after his death the life and legacy of the polish british novelist joseph conrad remains deeply felt in a wide range of global cultural contexts the resonance of joseph conrad in contemporary culture brings together scholars of wide ranging backgrounds to provide a holistic assessment of the afterlife of conrad s work ranging from conrad s influence upon contemporary writers to the impact of his translators and his adaptation within film and graphic novels this volume illuminates how conrad s approach to questions of moral ambiguity and the haunting complexities of colonialism continues to inform the cultural output of our modern globalized world

marketing the church is hot for many church leaders marketing might even be the first article of their creed which goes something like this we believe that our church determines its identity and mission through the tactics of marketing strategies theologians kenneson and street offer a thoughtful and provocative protest with a foreword from stanley hauerwas the authors expose the theological presuppositions that inform the marketing project and help us to see that the marketer s presumption that form can be separated from content of the gospel betrays an understanding of the gospel that cannot help betraying the gift that is christ the authors propose an alternative constructive account

of the church's mission and purpose that is not based on exchange of value but on reminding us that the gospel is always a gift a gift that makes impossible any presumptions that there can be an exchange between human beings and god that is rooted in the satisfaction of our untrained needs the cross and resurrection challenge the world's understanding of what our needs should be

this collection of 44 classic and contemporary cases allows students to develop their analytical skills as they apply consumer behaviour concepts a variety of sizes and types of companies are addressed to give students a broad understanding of the application of consumer behaviour concepts

the works of six contemporary authors of short fiction of disparate gender and cultural origin are examined for the similarities and differences in their attitudes toward marriage geldrich leffman german and spanish loyola college focuses on the dialogic aspect of the authors treatment of marriage holding that marriage itself is dialogic in nature lending itself to use as a metaphor for communication as well as an ideal framework for exploring the social psychological and linguistic implications of the difficulty of dialogue and the essential isolation of the individual the authors discussed are siegfried lenz and gabriele wohmann of west germany helga schubert of east germany julio r ribeyro of peru mario benedetti of uruguay and rosario castellanos of mexico annotation copyrighted by book news inc portland or

contemporary advertising 10 e is one of the best selling advertising texts in this field known as the coffee table book for advertising it is known for its current examples the author's ability to pull from real world experiences and the clear writing style taking a comprehensive view of the industry this text presents advertising from the creative standpoint and arens draws from his own industry experience to lend life to the examples author bill arens continues to
